8. Discussion Topic

Question	8a	Split into clusters and discussed any issues that sports may be facing.
-----------------	----	---

Feedback	8b	<ul style="list-style-type: none"> • Get more involved in each other's events. • Cluster group social and Social Sec's have more contact with each other. • Blinds inside the Sports Centre for indoor sports as teams have an advantage if they are not facing the sun. • The lines on the floor for Futsal are the same colour as the floor so it makes it hard to play games. • Handball court isn't the right size. • Archery are worried about where they will train after Christmas. • Trampolining cannot afford to buy a new trampoline, and are worried that another might be retired after it's service. • Indoor sports would be happy to not have rebound boards if it means that money can pay for a new trampoline for them. • Ultimate feel that they aren't getting much support from other teams, so they feel that every team should support one another more. • Teams feel that others should support one another in fundraisers and attend each of these for each other. • Dance are worried as they can no longer use Lincoln College, and that they cannot get the poles they are needing as they are too expensive. • Handball, Swimming and Dance are wanting pictures again. • Fencing want to be a part of Varsity, but they are unsure if Hull have a team.
-----------------	----	---

-
- Sports Centre are not being very accommodating to sports and they are being told they aren't able to book when they need even when it is free.
 - Hockey are finding the morning sessions difficult as they are being told the pitch is fine but the ball won't even bounce on the pitch when they turn up.
 - Teams are wanting more social media presence on the TVs around campus.
 - If teams are wanting sports shown in Tower Bar, then message Cassie as she will be showing more sports.
 - Some sports teams have 0 social media presence and this needs increasing as everyone should be supporting each other
 - If teams have fixtures tell everyone, especially if they are non-BUCS or weekend fixtures.
